Be A Part of a Team of Medical Specialists in a Premier Medical Center located in the Heart of the Evergreen District in San Jose

The Evergreen Medical Center is a 42,000 square foot building that represents a PRIVATE, STATE-OF-THE-ART, INTERGRATED, and COMPREHENSIVE OUTPATIENT HEALTHCARE DELIVERY CENTER. It consists of:

- Outpatient Pharmacy
- Full Scale Imaging Center
- Ambulatory Surgical Center
- Clinical Diagnostic Laboratory and Pathology
- Urgent Care Center/Occupational Medicine Clinic
- Multispecialty Clinics including Surgical and Medical Specialists

The medical center provides outpatient medical services and quality specialist physicians in the rapidly growing Evergreen/Silvery Creek community within San Jose. It is conveniently located along Capitol Expressway and Quimby Road, within walking distance to the Eastridge Shopping Center, and is easily accessible to three freeway systems – US 101, I-680, and I-280 – as well as an upcoming light rail system and expanded VTA's Eastridge Transit Center. The building is solar-powered, equipped with emergency generator and offers on-site parking facilities for up to 144 vehicles.
